Word From Our Pastor

Jason Thomas

It is a joy to send this special greeting to you from Glorieta, New Mexico! As you read this, I am enjoying an exciting week of ministry and worship with our energetic teenagers. It has been a rich experience so far, and it is official... I have found a new favorite place to pray. If you could only see and experience how

God's glory is on display here in New Mexico. I guess that is why the folks here call it "Glorieta." We will have pictures and stories to share with you very soon.

What about you? Have you found a new favorite place to pray? God encourages us to take our post and pray to Him with faithfulness, expectation, and persistence.

Consider these powerful words from the prophet Isaiah, "On your walls, O Jerusalem, I have set my watchmen; all the day and all the night they shall never be silent. You who put the Lord in remembrance, take no rest, and give Him no rest until He establishes Jerusalem and makes it a praise in the earth" (Isa. 62:6-7).

As we remember the "30/30 Challenge" set before us (praying 30 minutes daily for 30 days), will you be a prayer "watchman" for your family and our church family? Will you raise your voice to the Lord and give Him no rest until He establishes "Jerusalem?" God wants you to pray with faithfulness, expectation, and persistence. Let's take our post and pray this way together. See you this weekend!

May it begin with prayer,  
Jason

Discipleship

Around 800 BC, the people of Hosea's day had become "hardened" to God's Word. They had heard it many times before and had grown apathetic to what God required of them. God's solution was for them to break up the neglected ground of their hearts. They were to allow Him to soften their hardened hearts. The picture God paints in the Book of Hosea is of a soft & delicate people being introduced to course & agonizing labor of the seeking the Lord. They were accustomed to the easy fruit of idolatry, now seeking the Lord was a difficult task. God's people were to break up the sinful barriers in their lives that prevented God's Word from penetrating their hearts. Then, said Hosea, God would give life and refresh them by raining down on them in righteousness after the bruising work of softening their hearts.

Andy Atkinson

As disciples, we must continually cultivate our hearts and minds so that we are receptive to the work here & now. John the Baptist exhorted those around him to prepare the way for Jesus. We, too, can help others prepare their lives so that God's righteousness will penetrate and fill their lives. We can share the joy that God's Word brings us and encourage our friends to seek God's will. We can tell of the blessings that have come to us as a result of our obedience. Pray that they can join God & break up the dry & hard ground in the hearts of those around us. As God's people, we are to seek the Lord until His righteousness raining down upon us as a summer rain. We should immediately cultivate our heart whenever it starts to become hardened toward God.

Youth Spotlight

Thank you so much for your year long support and prayer of our camp efforts! Thank you for the letters and packages, they know that their church supports and loves them! God is at work in

their lives. The life-changing mission service and God-encountering worship will not be forgotten! Continue to pray for a safe and enjoyable trip home.

Children's Headlines

**Father's Day: Donuts for Dads:** This Sunday morning, June 21st at 9:00 in the fellowship circle we will have a special Father's Day celebration for all our dad's, grandfathers, and uncles of children in the preschool and children's department. Please come let us celebrate you for all you do for our children every day.

**VBS** is less than a week away and we are busy getting ready! Please keep all the volunteers and children who will participate in your prayers. Pray that we will impact these young lives in a powerful way next week!

Music & More...

Did you know that the only thing that we will do in heaven that we are currently doing on earth is Worship? No other activity is recorded in the Bible. No other practice is mentioned. Not Bible study, not evangelism, not caring for the sick, not preaching. Only Worship.

If this is the case, may I suggest that we increase our preparation for heaven by investing more of our time on earth into personal worship? Not corporate worship, but our personal time alone with God.

As an athlete, I knew that I would only achieve the next level by practice. As a musician, I know that I will only improve my skill by practice. As a communicator, I know that I will only make myself better received by practice. As a leader, I know that I will only improve my influence by practice.

Brad Lewis

The great thing about personal worship is that it is not just "practice for the future", but it is beneficial in the here-and-now! Our time spent in the presence of God literally transforms our lives: We become more in tune with the Father and His purpose and will for our lives. We see Him answering specific prayer in our lives. We find ourselves in a closer relationship with Him.

All because we spend time in personal worship.

Brad

Senior Adult Day: June 28

Sunday, June 28, is Senior Adult Day in our church. Morning worship will feature the Joyful Praise Choir and more! After the service, all Senior Adults (age 55 and older) are invited to the Fellowship Circle for a light meal to show appreciation for all that Seniors do throughout our church. Reservations are

required, so please call the church office 706-866-7194 to sign up by Wednesday, June 24.

SB Disaster Relief

Many of you are aware of the massive devastation and loss of life that has taken place recently across Texas and the southeast. Through the SB Disaster Relief fund, we have an opportunity to share in the relief efforts through the ministry of giving. Please pray for all of the storm and flood victims and consider

sharing a financial gift to help in the relief. You can give through the church or directly to SBTC PO Box 1988 Grapevine, Texas 76099-1988. Thank you for your prayers and support.
