Word From Our Pastor

Jason Thomas

Vacation Bible Safari is in full swing this week! With a Family Life Center full of kids and over 70 volunteers, you would have to see it in action to believe it. I am so thankful for Sarah Kubler, Holly Randall, Allyson Carlton, and our many faithful volunteers who have joined together in the power of the Holy Spirit to make our VB Safari an amazing success.

they praised the Lord saying, 'He indeed is good for His loving kindness is everlasting,' then the house, the house of the Lord, was filled with a cloud, so that the priests could not stand to minister because of the cloud, for the glory of the Lord filled the house of God!' Worship is powerful and life changing because of the Holy Spirit who pours over us wave after wave when we gather together in His name!

Every night of VB Safari begins with a dynamic worship rally. When I see the kids gathering together to sing praise back to God, I'm reminded of 2 Chronicles 5:13-14, "...and when they lifted up their voice accompanied by trumpets and cymbals and instruments of music, and when Looking ahead to this weekend, we will share highlights from our VB Safari, as well as celebrate the ministry of our senior adults. This Sunday will be our Senior Adult Celebration with the Joyful Praise Choir, a tribute to the Morgans, a challenge from 2 Timothy, and a special luncheon. The day will be capped by a concert from Ryan Stinson at 6 pm. Don't miss out on these special worship moments. See you this weekend!

Still praying "30/30," Jason

Discipleship

Andy Atkinson

God has many ways to deter us from sin. One is to provide reminders for us so that we never take disobedience to Him lightly. God is absolutely just. He loves, and He forgives, but He does not compromise His righteousness in His people, because it is what is best for them. God deals with us uniquely. He draws upon our experiences to teach us about Himself. God will forgive us of our sin, but He may provide stark reminders of the ugliness of sin. We all have unique sin patterns that plague us. When our faith & heart is tested, its not to find out the result. God already knows. The testing is to make us aware of the condition of our heart, and to remind us of grand importance of leaning on Christ.

Before his conversion, Paul assumed that he was righteous before God.

In reality, Paul was so disoriented to God that he arrested and executed Christians in order to please Him! Paul was so blinded to God's will that when he watched Stephen being brutally murdered for his faith, Paul's heart was hardened, and he became even more determined to imprison other Christians. Was it coincidence that God allowed Paul to be stoned in the same manner as Stephen had been? God had certainly forgiven Paul for his involvement in Stephen's death, but God also left him with a reminder of what his arrogance had led him to do. If pride could blind Paul to God once, pride could do it again. Perhaps Paul's "thorn in the flesh" was a direct result of this stoning.

Let us thank God for the reminders of His love and completely lean on Him.

Music & More...

Brad Lewis

This past Sunday was powerful as we honored our fathers, honored four families dedicating their children, and honored our Heavenly Father. I cannot think of a better way to spend time than joined with other Believers worshipping our Lord!

Honor is fast becoming a lost practice in our world. Yes, we have certain days set aside on our "cultural calendar" to give honor. Meals are prepared or purchased, gifts are given, and Facebook & Twitter feeds become bloated with kind sentiments. But when the day is over, we are back to our routines until next year.

On a regular basis, authorities are ignored, leaders are dismissed, and elders are disrespected. Mainly because honor has become an archaic practice. *If it's not meeting my needs, then it's not worth my time or effort.* Hmmm...

May I suggest that honor become a regular part of our interaction with people? Instead of quickly slighting those to whom we ought to respect, I offer that we remember their contribution, appreciate their input, and preserve their value.

Romans 13:7 (NIV) says: *Give to everyone what you owe them: If you owe taxes, pay taxes; if revenue, then revenue; if respect, then respect; if honor, then honor.*

That sounds like a good word for all of us to follow!

Brad
